

West Berkshire SEND Information Advice & Support

WHO ARE WE?

**We are the West
Berkshire Special
Educational Needs and
Disability Information,
Advice and Support
Service (SENDIASS).**

We provide free, confidential, impartial information, advice and support relating to special educational needs and disability (SEND), independently from education, health and care providers

Our information, advice and support is delivered by independently trained Information, Advice and Support Service (IASS) staff.

MAKING A DIFFERENCE

www.westberkssendiass.info

0300 303 2644

Our service is for people who live in West Berkshire. If you don't live in West Berkshire we can put you in touch with your local SENDIASS.

We can provide information, advice and support to parents or carers of a child or young person (aged 0-25) with special educational needs and/or a disability and young people aged 16-25 who have special educational needs and/or a disability. If your child has questions we can help them too.

We will listen to your views and concerns and explain your options, rights and responsibilities. We can help you prepare for meetings, feel more confident to express your views and support you to resolve disagreements. If needed, we can support you to attend meetings too.

We can answer your questions about Education Health and Care Plans (EHCP) and support you through a needs assessment or review.

We can answer your individual queries about education, health, care and leisure services and direct you to other services that may be able to support your family.
