

LHS Bicycle Licence

Dear parents and carers,

At LHS, we regularly review how we can ensure that students and staff are as safe as possible at school. Recently, we have seen an increase in dangerous cycling, both outside the school gates on the way to and from school, and also with some students choosing to ride their bicycles inside school. This has led to some near misses. We do not want anyone to be injured due to dangerous cycling.

From November 2nd 2026, all students who cycle to school must have a Bicycle Licence in order to bring their bicycle into school. Securing this licence involves a simple process, where students and parents have to select the link below, and then agree to follow [these simple rules](#) around bicycle safety.

If students cycle to school without a licence, or if their licence is withdrawn, then they will be banned from bringing a bicycle on to the school site. This is done with the best interests of all of our students and staff in mind.

To secure a licence for your child, [please click on this link](#). The link can also be found by scanning the barcode below.

Thank you, as always, for your support as we keep our school community safe.

Mr Ramsden

Miss Rowthorn

Little Heath School Safe Cycling Rules

Students who ride a bicycle to school must:

1. Walk their bicycles at all times whilst on the school site. Bicycle riding is not permitted on the school site.
2. Follow the laws of the road whilst cycling to and from school, including cycling on the left hand side of the road.
3. Not have two students to a bicycle. Students cannot give a ride to another person, either sitting on the handlebars or elsewhere on the bicycle.
4. Wear a helmet when on their journey to and from school.
5. Follow all instructions from LHS staff around bicycles, including stopping and getting off their bicycle immediately when instructed.
