

Announcing the Ultimate Picture Competition!

Calling all budding artists and photographers! All Yours is thrilled to invite you to take part in our exciting International Women's Day Picture Competition. Get ready to showcase your skills and creativity!

We'd like you to create a picture or capture a photograph that represents the amazing ways in which women contribute to society. Feel free to unleash your creativity and highlight the unique talents women bring to life that we might take for granted. Do you know a woman with an unusual job, or do you have something at home invented by a woman? Perhaps you can recreate a scene from a book by your favourite female author or snap a selfie with the special women in your life.

We have a panel of remarkable women ready to judge your entries including Olivia Bailey MP, Phillippa Cardno, CEO of Newbury Building Society, and Colline Rufaro of Colline's Kitchen.

Categories & Prizes

Students will compete in age-specific categories, with fantastic Amazon vouchers up for grabs for the winner of each category:
