

Setting up a Student Integral Account

Click on the link below:

[Individual student registration form \(opens in a new tab\)](#)

This will take you to the MEI website which will look like the picture below. Please sign up for a myMEI account by clicking on the sign up button.

Welcome to myMEI

This is the sign-in page for **myMEI**, our new portal.

To complete this form, you'll need a myMEI account.

⚠ Please note:

- This is *not* the same as your course/event booking account.
- This is *not* your Integral login.
- myMEI requires its own account.

Please create your account using your **school or college email address**.

Please log in or create an account using the Sign-in button below.

Sign-in

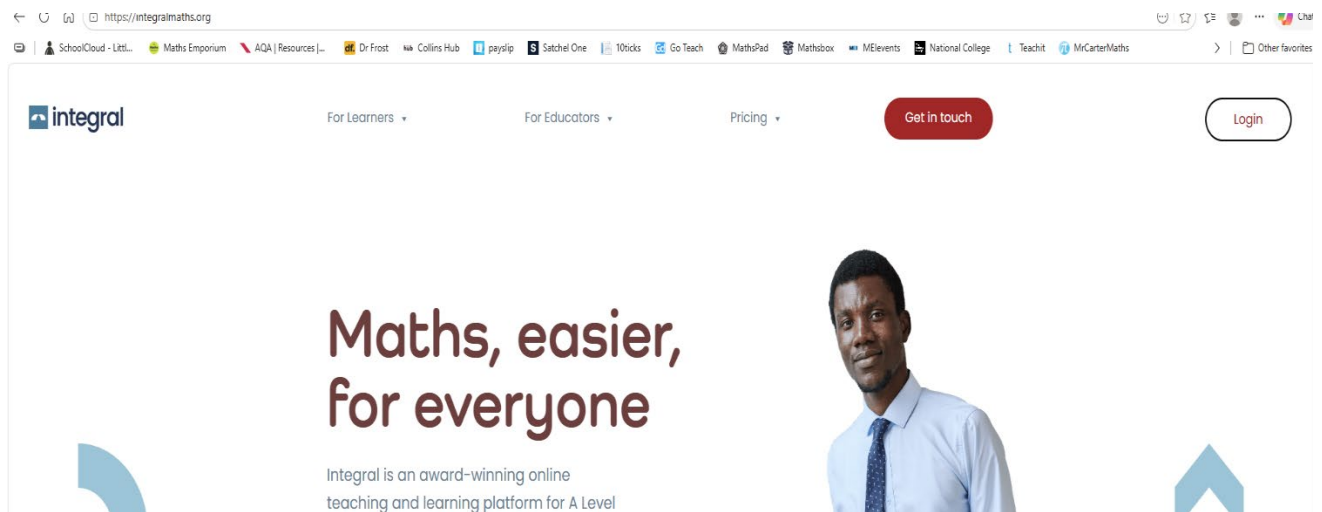

FOLLOW the next set of instructions, read them all carefully. Use an email you will retain access to over the summer into September.

You need to receive TWO emails one with log in and a second with a password for first use before you change it.

On a mobile you have to be super careful as you can't see all the page at once and it can get confusing the site you are on.

Log in emails can take 24 hours to arrive or can arrive within the hour, we've experienced both timescales.

When you are all set with login and password the site below is the active one. This is hosted by MEI and is called **integral**.

Quick check list

- Best to use a laptop or PC
- Create an myMEI account
- Follow all instructions
- Use an email address you have access to over the summer
- Wait for the log in and password emails
- Select the Integral Course picture above and login.
