You will need to bring this work to lessons as the content will be assessed through introductory assessments which will be completed within the few first weeks of the new term.

Tasks

1. **Confirm your choice of starting point from the list below:**
 - Magical Worlds
 - Past and Present
 - Illusion
 - lighting
 - Distorted figures

2. **Take some photos (on your phone is fine) that you can incorporate into your project and work from in September.**
3. **Gather images of artists' work on the internet that inspire you and link to your chosen theme**

Extension work:

Keep your practical skills sharp by creating a drawing in any material you choose, based on your chosen theme. This can be an observational drawing or an artist copy.
