Fri 5	2.25-3.25	30 mins DEAR then SMHW			SMHW	SMHW	SMHW		OPTION E	OPTION B

Notes:

The Department for Education have published guidance explaining that students in Key Stages 3 and 4 should be provided with 5 hours of remote learning each day. Remote learning during this period should include both recorded or live direct teaching time, and time for pupils to complete tasks and assignments independently.

- Timetabled lessons above will be set daily on SMHW and/or Microsoft Teams consisting of tasks, pre-recorded, and live lessons, where possible.
- Each subject will set tasks and assignments on SMHW **in addition** to the lessons. These tasks should be completed during the SMHW slots.
- In school we are proud of our DEAR (drop everything and read) routine and are keen for students to continue with their reading during lockdown. DEAR slots are marked on the timetable.
- * During afternoon registration students will have an afternoon tutor slot (KS5 will have 2) and an assembly which may be live or pre-recorded. For the further tutor times, students can choose to complete activities from the pickamix tasks on SMHW and Teams.
- ** To avoid a clash with Yr12, Yr 13 assemblies will sometimes be held on Wednesdays when specific content applies. Check Teams.
- All live lessons will be held through Microsoft Teams and can be accessed through Show My Homework or the calendar on Teams.
- KS4 RE: RE will be taught in half year groups. This will be communicated by the department through Show My Homework.
- KS5 Core lessons are timetabled during Periods 4 and 5. Additional lessons will be timetabled during the blue slots and will include a mixture of live lessons, pre-recorded lessons, assessments, tutorials, etc.
