## Inspirational

# TALK

Join us for a brilliant  
**NEW** broadcast

## FEATURED TALK

Our Inspiration Programme has a fantastic line-up of speakers throughout the year.

Join us on 27th June from 10-10.45m to hear from Virgin Media O2's Careers Recruitment Manager, Tia Holland, Senior Project Manager, Josh Sheppard, and Network Delivery Project Manager Apprentice, Matthew Jones to understand what it takes to work for the UK's biggest network.

Map out your  
future career in  
the geospatial  
sector!

## A week of virtual work experience with

# Ordnance Survey

### Calling All Geography Teachers!

An opportunity not to be missed for students looking at opportunities in the geospatial sector. Over five days, learn and experience careers & beyond with Ordnance Survey - from data-capturing drones to using maps in apps. Each day will include talks, interactive tasks and opportunities for students to learn from the experts. On the final day, students will be given practical advice on how to prepare for a career in this sector, and the pathways to these careers. This is the perfect enrichment opportunity for GCSE or A-Level Geography students, and will help towards meeting Gatsby Benchmarks 4, 5 & 6!

### Who are Ordnance Survey?

Ordnance Survey provides national mapping services for Great Britain and is a world-leading geospatial organisation. Their location data and expertise has helped governments make smarter decisions, businesses gain valuable data insight, and everyone experience the world outside for over 225 years.

Open to  
Year 10-13  
Classes

10-14th July  
9am - 12noon

Easy group  
booking  
process

### AGENDA\*

#### DAY 1

An introduction to OS; a dive into cartography and space.

#### DAY 2

Looking at capturing data through satellites, drones and AI. Can students plan the perfect housing estate?

#### DAY 3

Applying and visualising data, including how this can be used in web and mobile apps. Students will plan their way through a LEGO zombie apocalypse.

#### DAY 4

Looking at OS beyond the 9 to 5; a focus on geospatial entrepreneurship and an opportunity for students to put forward a business case.

#### DAY 5

Introducing routes into geospatial careers and setting students up for future success in this field.

*\*Agenda subject to  
speaker availability*

### How to Join:

Teachers can register their groups using the 'BOOK NOW' button  
For any other enquiries, please contact your Education Relationship Manager.

for schools

Join our 5-day 'Be Your Own Boss' fully funded virtual work experience to empower your students!

**10th to 14th July 2023**

Haven't found placements yet?

Want to increase their all-round work knowledge and life skills?

Know a potential entrepreneur?

Ask them to sign up to our UK-wide online event for 14-19-year-olds from state schools and colleges.

\*Source: <https://www.entrepreneurs.org/entrepreneurship-education/#...:~:text=Over%20half%20of%20the%20British%20young%20people%20aged%2014%20to%20they%20ever%20will>

Over half of young people in the UK have thought about starting a business. But 70% believe 'not knowing where to start' is a barrier to them following through with their ideas.\*

This opportunity is set to change that.

Covering all the things they need to bring start-up ideas to life, they'll even have the chance to pitch their business plan and get expert advice.

Every day, they will join leading professionals and take part in interactive workshops on everything from planning to problem-solving.

Students can sign up individually via our portal.
