

Support our Fibre Upgrade programme

and earn while doing it!

We're embarking on an innovative network infrastructure investment to deliver ultrafast broadband and services. Join us as a **Business Administration Apprentice** to support our Fibre Upgrade programme in making this a reality. Plus, earn **£27,000** whilst doing it!

What's in it for you?

- A level 3 Business Administration apprenticeship
- Support in developing your career
- A starting salary of £27,000

Plus, access to all of our employee benefits, including:

- 25 days' holiday
- 5 volunteering days a year
- Huge discounts on everything from days out to household bills

What we look for

At least 5 GCSEs, including English and Maths, at level 4-9. Other qualities we're interested in include:

- Confident & proactive
- Inquisitive
- Good time management
- Organised
- Strong excel & powerpoint skills
- Analytical skills
